Ring Road lights to glow from Dec. 1

Project nearing completion with 7-km cabling pending; MP visits work site

MP Pratap Simha inspecting the street-lighting works on Ring Road this morning along with MCC Commissioner G. Lakshmikantha Reddy and other officers.

Mysuru, Nov. 19 (RK&BCT)- Over three months after launching the project to lay underground insulated wires for the street-lights on the Ring Road, over 78-km of the project has been completed and only seven kilometres of cabling is to be done. All the works will be completed by Dec. 1 and the lights will finally glow from that date. After much delays, dilly-dallying on allotment of funds and shifting responsibilities, the project was launched on Aug. 15, 2022.

'Voice of MyBuild' Singing Contest

Audition on Nov. 28

Mysuru, Nov. 19- Builders Association of India (BAI), Mysuru Centre, in association with Mysore Builders Charitable Trust (MBCT), is conducting MyBuild-22, a Mega Construction and Building Materials Exhibition from Dec. 8 to 12 at Maharaja's College Grounds here.

This year, 'Voice of MyBuild,' a singing competition will be organised for PUC and Degree College students. On Dec. 9, semifinals will be held at 6.30 pm and on Dec. 11, finals will be held at 6.30 pm at the exhibition venue — Maharaja's College Grounds.

In this regard, the audition will be held on Nov. 28 at MBCT Auditorium, No. 34/D, Akkamahadevi Road, 2nd Stage, Industrial Suburb, Vishweshwaranagar, from 10. 30 am to 1 pm and 4 pm to 6.30 pm.

Those interested may register their names before Nov. 25. For details, contact: S. Umesh on Mob: 94482-74722 or Shwetha Dinesh on Mob: 94807-33202.

EDITOR'S BOTTOMLINE

What else, along with the voice, communicate the emotion of love? Surprisingly they are the ears. Probably the symbol of a heart that denotes love was created by imagining two ears placed side by side — explaining its popular shape. Just as there is a marked difference between seeing and watching, so it is between hearing and listening. Affection is measured by the attention paid to all that is said. Ears never stop working even while we're asleep; the brain only numbs the softer sounds so that we get our rest. Sadly they don't have lids that can close to shut out unpleasant sounds like the eyes have for such sights. Ears are clever though; they have no filters so can easily identify tones and intentions, kindness and the sarcasm — none of which can escape the auditory senses. Thank God, ears can't hear the ranting of others' minds. We humans have the blessing of choice where it comes to listening. Listening to soothing words and music calms our mind and body. Listening to disturbing news and information makes us restless and fearful. We can choose to connect with the creator by listening to spiritual content and learn life's lessons; and be kind enough to use words and tones that will lift spirits and cheer minds of listeners.

NEWS SPARKLERS

An exhilarating mix of chariot and bike racing

Sydney: Motorcycle chariot racing is a modern take on one of the most popular sports in ancient Greece, Rome, and the Byzantine Empire.

Replacing the horses of old with some real horsepower in the form of two motorcycles, this unusual sport is making a comeback in the Land Down Under. Originally invented in the early 1900s in Australia, motorcycle chariot racing eventually spread to Europe and the USA before gradually being banned because of the danger to the riders. However, the adrenaline-fueled sport is currently making a comeback in Australia, thanks to a professional stunt rider.

Motorcycle chariot racing was featured at this year's Sydney Royal Easter Show which made quite an impact on the audience. It definitely looks like a cool mix of Ben Hur and Mad Max, with two riders trying to steer their chariots while controlling a couple of Husqvarna motorcycles churning up close to 100 horsepower.

Woman with the world's largest feet

Houston: A woman who stands at 6 feet and 9 inches tall was awarded a Guinness World Record for having the world's largest feet.

Guinness World Records announced Tanya Herbert of Houston was bestowed the title of largest feet on a living person (female) after her right foot was measured at 13.03 inches long and her left foot was measured at 12.79 inches long.

Herbert said she has to shop for shoes online, since no stores carry products large enough for her feet.

"I would buy some of the largest shoes I could find online and manipulate those to extend them out a little longer and make them a little wider so that they would fit my feet," she told Guinness World Records.

VOICE OF THE READER

Fatalities due to absence of footpaths

Sir,

Around 40% to 45% of those who die in road accidents are pedestrians. The major cause for accidents is absence of footpaths. Where footpaths do exist the reasons for fatalities is poor footpath design, width below specification, blocked or encroachment by vendors.

The other contributory factors are absence of safe pedestrian crossing made worse by vehicle drivers not giving primacy to pedestrians. Even among those killed, women, children, senior citizens, individuals with disabilities face greater danger.

Google search yields a distressing statistics in every State in India. There are reports of cases when two-wheel riders using footpaths posing danger to pedestrians.

To discourage such footpath riding, the footpath should be provided with the IRC design of unmountable curbs.

In many cases let alone footpaths even the adjacent earthen portion is not level with road surface which poses danger to both vehicle drivers and pedestrians. Several instances of this can be seen in Mysuru.

In Mysuru the days are gone when the Mysuru City Corporation Commissioner would come on spot visits on request of the local people. Whether in enforcing specification or supervising the road work, it is mostly left to the contractor with the result a quality work is not ensured resulting in premature failure. This implies the need for enforcing work culture.

APOLLO DOC TALK
Apollo HOSPITALS
'YOUR LUNGS, FOR LIFE'
World COPD day is celebrated every year to create awareness about the disease and sensitise the masses about the ill effects of smoking. This year's theme is 'YOUR LUNGS, FOR LIFE', thereby highlighting the importance of maintaining the only pair of lungs we have from birth till old age. Voluntary insult to our body in the form of smoking already causes numerous diseases, including COPD. COPD causes narrowing of airways/ increased secretions/ both, leading to progressive worsening like breathlessness, wheezing and coughing with sputum. It causes overall morbidity, mortality, unspoken economic burden and decreased quality of life. Besides smoking, exposure to secondhand smoke, biomass fuel dust, and pollution are other causes of COPD. It is a treatable condition if diagnosed early with a Pulmonary Function Test (PFT) and treated with inhalers, amongst other medications. Smoking is one preventable cause and can be best avoided.
Be your own master and quit smoking. Preserve your lungs, for you live only once.

MP alleges rampant corruption in University of Mysore

Pratap Simha

Mysuru, Nov. 19- Stating that the University of Mysore (UoM) is on the brink of disaster, MP Pratap Simha has alleged rampant corruption in the over-century-old University.

He was speaking after inaugurating the day-long Mahila Udyog Mela and Expo of products made by women, organised by Educare ITES in association with WOMENCAN Foundation at Maharani's Commerce and Management College for Women on Valmiki Road in Paduvarahalli here yesterday.

Claiming that 1,300 Master Degree holders have joined UoM as Group D Employees for a Rs.12,000 salary by paying bribes, which goes to show how bad the situation in the University is, Simha alleged that there are many irregularities in the conduct

of K-SET meant for recruitment of college lecturers.

Maintaining that the talent of intelligent students should not go waste under the carpet of corruption, the MP said that he raised the issue with University Grants Commission (UGC) Chairman Jagadish Kumar and succeeded in stopping the holding of K-SET for the past 18 months.

Asserting that he came to Mysuru for serving the people, Simha said that as an MP he has brought many projects for the constituency which has resulted in job creation.

"I have great respect for former CM S.M. Krishna for constructing the four-lane Mysuru-Bengaluru Highway. He is also credited for IT Major Infosys setting up a mega centre in Mysuru. Krishna also planned the Ring Road for Mysuru," he said adding that Karnataka hardly had a Chief Minister with such a vision.

The MP further said that space will be provided in Exhibition Grounds for an Expo of women-made products. Mysuru and Hampi have been shortlisted under 'Swadesh Darshan' scheme which is aimed at providing markets for women made and desi products, he added.

Online fraud: Elderly persons among three lose over Rs. 8.59 lakh

Mysuru, Nov. 19- In separate cases, an elderly man was blackmailed by a lady while miscreants have cheated another senior citizen on the pretext of updating KYC and a student has been cheated by promising huge profit for the investment.

In the first case, a 67-year-old man has been cheated to the tune of Rs. 6.50 lakh by a lady after blackmailing the man.

A resident of Hebbal 1st Stage, the elderly man, who obtained the number of the lady from a dating website, called the lady and spoke to her.

The lady too spoke with him intimately and got his voice recorded on her phone. She then began to blackmail him by saying that she would make the voice recording viral on social media if he did not pay her money and got a total of Rs. 6.50 lakh in phases transferred to her Bank account.

Even after getting the money, the lady is said to have continued to blackmail him, following which the elderly man lodged a Police complaint.

In the second case, miscreants, who sent a message to the mobile phone of a 65-year-old man, asking him to update Know Your Customer (KYC) form, has cheated him of Rs. 89,715.

The senior citizen, who has been cheated, is S. Chandrashekar, a resident of Vijayanagar 1st Stage. The miscreants, in their message to Chandrashekar had sent a website link and asked him to click on the link and update the KYC. When Chandrashekar clicked on the link a One Time Password (OTP) was sent to his mobile phone number and when he entered the OTP, a sum of Rs. 89,715 was deducted from his Bank account.

In the third case, miscreants, who lured a 19-year-old student, by promising high returns if she invested her money through Blinkit App, have cheated her.

The student, who has been cheated, is V. Sonika, a resident of Janatanagar in city.

Believing them, Sonika invested Rs. 1,19,936 but did not receive any profit and she did not even get her invested money back.

Co-operative Bank Manager among five accused in Rs. 54 lakh cheating case

Mysuru, Nov. 19 (RK&DM)-A Co-operative Bank Manager and five others have been accused of transferring a total of Rs. 54.63 lakh released by the Karnataka Industrial Areas Development Board (KIADB) as compensation to a land loser, to their personal Bank accounts.

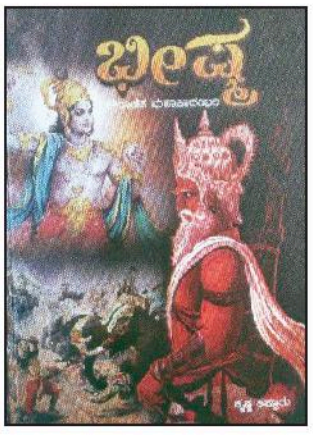
The Manager of Navanagar Urban Co-operative Bank at Hootagalli, S. Arun, a resident of the city and his wife Leelavathi, Siddu alias Marichikkasiddu of Kempasiddanahundi, his son K.S. Shivu and one Imtiaz of the city are the accused.

Malamma of K.M. Hundi in Mysuru taluk, in her complaint to the Vijayanagar Police, claimed that the Karnataka Industrial Areas Development Board had credited Rs. 54,62,500 lakh to the Bank account of her mother Siddamma, which the Board had paid as compensation for land acquisition.

The money was later transferred to her (Malamma) bank account. But thereafter, the Co-operative Bank Manager and five others (mentioned above) have unknowingly and illegally transferred this money from her account to theirs, she said in her complaint.

Following Malamma's complaint, the Vijayanagar Police have booked a case against the Co-operative Bank Manager and five others under Sections 406,420 r/w 34 of IPC.

Moily to release 'Bheeshma' in city tomorrow



Mysuru, Nov. 19 (SSM)- Krishna Tippur's book *Bheeshma* will be released at a programme jointly organised by Vidya Vikas Educational Institutions, Mysuru, Venkatagiri Prakashana and Mithrakoota, Tippuru, at Vijnana Bhavan in Manasagangothri premises tomorrow (Nov. 20) at 4 pm.

Hemantha Kumar, former Sanskrit University Vice-Chancellor Dr. Padma Shekar, Department of Public Libraries Director Dr. Satishkumar S. Hosamani, Lingasugur Government PU College Principal Prof. B.C. Chilkaragi, Chamarajanagar JSS Hospital Superintendent Dr. Govinda Shetty, Akhila Karnataka Kannada Writers and Publishers Association President D.N. Lokappa will be the chief guests. Author of the book Krishna Tippur will be present.

Ministry of Housing and Urban Affairs
Joint Secretary inspects projects in city

Mysuru, Nov. 19 (RK&BCT)- Joint Secretary of Ministry of Housing and Urban Affairs Roopa Mishra inspected several projects in Mysuru city yesterday that have been developed using funds released by the Centre.

She arrived in the city on Thursday evening and stayed at Hotel Metropole and began her visit at the Garbage Vulnerable Point (GVP) near Yadavagiri that has been developed and beautified.

She was accompanied by Mysuru City Corporation (MCC) Commissioner G. Lakshmikantha Reddy, MCC Superintending Engineer Mahesh and the officers, who briefed her on various projects taken up with Central grants and their effective implementation.

Roopa Mishra later visited another GVP at V.V. Mohalla and proceeded towards Hebbal near the Infosys campus where a Sewage Treatment Plant (STP) is functioning. She later visited the Solid Waste Management Treatment Plant at Kesare and gleaned information from the officers regarding the process and methodology of waste treatment.

The Joint Secretary also visited the Sewage Treatment Plant or Excel Plant at Vidyaranyapuram. She left for Bengaluru in the evening.

MCC Executive Engineers Ranjit Kumar, K.J. Sindhu, Development Officers Manjunath, Heganand, Environment Engineers Naveen, Mrithyunjaya and others were present.

Inauguration of Chamundeshwari Railway Layout Welfare Assn.

Mysuru, Nov. 19 (RKB&TRR)- Sri Chamundeshwari Railway Layout Welfare Association will be inaugurated tomorrow at a programme to be held on Shyadanahalli Main Road at 3 pm.

Kannada Rajyotsava and Children's Day will also be celebrated on the occasion.

Chamundeshwari MLA G.T. Devegowda will inaugurate the function. Metagalli Police Station Inspector Harishbabu, retired lecturer of Maharaja's College, T.N. Panchakshari, South Western Railway Employees Housing Society President Dharmegowda and others will participate in the function.

A health check-up camp has been organised at 9.30 am followed by various sports events for children, according to Association President M.K. Sridhar.

Obituary

Alhaja Fayaz Begum

'Baandhavya' Sports Meet for differently-abled begins

Mysuru, Nov. 19 (RKB&DM)- 'Baandhavya 2022-23', a sports meet for differently-abled and mentally-challenged children, organised by Rotary Mysore Midtown, began at the University of Mysore Oval Grounds here this morning.

JSS Mahavidyapeetha Secretary S.P. Manjunath inaugurated the event in the absence of Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, by receiving the 'Kreeda Jyothi' from the participants.

Speaking on the occasion, Manjunath said that differently-abled children need encouragement more than sympathy and empathy. Pointing out that though the differently-abled are physically challenged, they have a sound mental strength which can take them to greater heights in their career and advancement in life.

Lauding Rotary Mysore Midtown for organising such a sporting event for differently-abled every year, he said that *Baandhavya,* which means bonding, is a befitting title for the event.

Asserting that such sporting events will boost the self-confidence of the participants, he observed that taking part in sporting activities will hugely help the differently-abled children when they attain adulthood.

R.T. Prasanna Kumar, National and International Para Athlete, who was the guest of honour, was felicitated on the occasion.

District Governor-Elect (RI District 3181) H.R. Keshav, Zone-7 Assistant Governor R. Venkatesh, Rotary Mysore Midtown President M.S. Naveen Chandra, Hon. Secretary S. Kumaraswamy, 'Baandhavya 2022-23' Chairman Jayakumar, Co-Chairman Elizar Milton and others were present.

More than 300 children from 18 differently-abled schools of the city are taking part in the Sports Meet, which concludes this evening. The sporting event includes skipping, jumping, throw ball, athletics etc.

Impairment has no impact on performance in sports

Para Athlete R.T. Prasanna Kumar recalls the testing times he faced when he took up sports

Mysuru, Nov. 19 (GA&BCT)- There are people who are amazing athletes and who have everything going for them. And there are athletes who succeed even with all of the odds stacked against them.

One such athlete is **R.T. Prasanna Kumar** from Chitradurga, who is in Mysuru to be a part of 'Baandavya 2022-23' a Specially Abled Children and Youth Sports Meet organised by Rotary Mysore Midtown at Oval Grounds, University of Mysore.

Speaking to *Star of Mysore* on his arrival in city last evening, Prasanna Kumar said, "There was a time when physically challenged people were looked down upon and there was no opportunity for them to display their talent and sporting capability though they were as qualified and as capable as other sports personalities. Now times have changed. With grit and determination, challenged sports persons are hogging the limelight."

With limb deficiency as the result of the effects of polio, Prasanna Kumar took up Para Athletics (Javelin throw) in 1999 during his time at college, primarily to show society that impaired athletes can also achieve success.

He is a native of Kondlahally in Chitradurga district and is currently working as an Assistant Master at Government Junior College Molakalmuru, Chitradurga. A National Record Holder, Prasanna Kumar has played three Asian Para Games and won 2 Silver Medals; Represented India in three World Championships and is an IWAS World Games Gold Medallist and an Asian Championship Gold Medallist.

LACK OF ENCOURAGEMENT

Prasanna Kumar was selected for Paralympics 2017 in London but was denied all facilities including leave to practise or attend the professional coaching. "From India, 33 sports persons were selected and I was the lone athlete selected from Karnataka. Yet, I was denied basic encouragement. In 2016 also I was selected for Paralympics at Rio and my superiors denied me leave with pay to train and even to go to Rio," he recalled.

"All my appeals to the Commissioner, Education Department and Chief Secretary, Government of Karnataka went unheeded. Finally, through a friend, I met and appealed to Malleswaram MLA Dr. C.N. Ashwathnarayan, who raised my plight in the Assembly session. The then Sports Minister Pramod Madhwaraj then wrote to the officials stating that my case was a special one and hence leave with salary has to be sanctioned," he said.

Recalling another incident, Prasanna Kumar said that 20 years back when he wanted to participate in Para Games, he was shunned by his villagers. "I was called a lunatic. But my family supported me. When Rs. 65,000 was needed to participate in Asian Games, my friend Somasundar boosted my confidence and fellow villager Revanna helped financially," he said.

DAD A GREAT INSPIRATION

"My father is my greatest inspiration. He is a Kabaddi player but I did not have any interest in Kabaddi. During his leisure, he tended to cows and to prevent them from going far away through the fields, he used to hurl stones. I followed the practice and was able to beat my father as my stones would land at great distance. Somehow, throwing objects to a distance caught my attention and I took up Javelin throw," he recalled.

"Para athletes have been able to demonstrate that the impairment has no impact on the performance of the sport. Such athletes have many intellectual skills, cognitive skills and the skills that everyone needs if you are going to compete at a high level. What matters the most is the encouragement accorded to such athletes," he said.

On his future aspirations, Prasanna Kumar said that he will make his daughter shine in the Javelin throw. "Due to a back injury, doctors have advised me not to lift weights. I am staying away from sports unwillingly. But my 12-year-old daughter has shown keen interest in Javelin throw and I am coaching her to compete in national level. I am also willing to coach the children of fellow villagers," he added.

Disappointed tourists return from shut KRS

Dam closed due to leopard scare; feline spotted last evening trying to corner a porcupine

Srirangapatna, Nov. 19 (Vinay Karekura&BCT)- Hundreds of tourists who have been visiting the famed Krishna Raja Sagar (KRS) Dam and Brindavan Gardens in Mandya are returning as the tourist spot has remained closed due to leopard scare.

The feline has remained elusive so far and over nine cages have been placed in the North Gate and South Gate of the Dam but the efforts of the Forest Department proved futile.

The leopard was first sighted on Oct. 22 and later, it was spotted a couple of times in the North side of the Dam and even the South entrance.

After repeated sightings, the authorities of Cauvery Neeravari Nigam Limited (CNNL) that manages the Dam decided to shut the reservoir and the gardens for the tourists indefinitely considering their safety. As there is little information regarding the closure, tourists who come from various parts of the country and the world, especially in the evenings and weekends, are returning without witnessing the massive water-holding structure which is an engineering marvel.

Yesterday morning, one of the nine cages that were placed was removed by the Pandavapura Division of the Forest Department as it was needed for another purpose. The cage was placed near the North Gate where the leopard was first spotted. However, the feline made an appearance last evening at 6.45 at the same spot where the CCTV cameras filmed it trying to catch a porcupine.

The leopard was, however, unsuccessful in its attempts to catch the porcupine having sharp quills all over its body. Meanwhile, the CNNL is staring at a revenue loss of over Rs. 2 crore till now as the Dam is closed. Revenue comes from toll collection, entry fee and parking charges. As the Dam has remained closed, it will be difficult for it to mop up revenue unless the leopard is caught.

"The Forest Department removed the cage yesterday morning and the leopard was spotted in the evening at the same spot. We feel that the leopard could have been trapped if the cage was not removed. This is unfortunate," a CNNL engineer told *Star of Mysore*.

Meanwhile, hundreds of small-time vendors who sell snacks, eatables and cut fruits in the Dam premises and small-time photographers at Brindavan Gardens are all out of jobs as the Dam is closed for tourists. There are more than 100 stalls in the vicinity and they are out of business since over a month.

Ring Road lights to glow from Dec. 1

(Continued from page 1)

Insulated wires are being laid as the existing wires have been eaten by rodents in the 42.5-km long six-lane Ring Road. As the Ring Road has two rows, in all, cabling works have to be completed along 85 kilometres.

Cabling works in the 79-km stretch has been completed and this morning, Mysuru-Kodagu MP Pratap Simha inspected the progress of the works with Mysuru City Corporation (MCC) Commissioner G. Lakshmikantha Reddy and other officers.

As per the agreement reached between the MCC and Mysuru Urban Development Authority (MUDA), the latter will fund the project to lay wires and fix LED lights and sanction Rs. 12 crore, while the MCC will maintain them.

When the MUDA built the Ring Road in 2014, it laid over 2,135 electric poles along the Ring Road and 4,818 bulbs were fixed. Due to lack of maintenance, the underground wires were eaten away by rodents and also, gradually, the bulbs burned out. This necessitated the laying of strong rodent bite-proof insulated wires and the fixing of LED bulbs for extra brightness.

This morning, officials and engineers briefed the MP that the project was nearing completion and per day they were fixing 200 LED bulbs. The MP asked them to fix 400 bulbs per day and speed up the work. Over 7 kms of cabling has to be completed.

The cabling works at circles and junctions are roadblock as trenches have to be dug to lay cables. Officials told the MP that as a via media instead of digging trenches and impeding smooth traffic movement, they are using a hole-boring method with machines to lay underground cables.

Pratap Simha instructed the project contractor and the officials to finish the works and be ready for the inauguration of lights on Dec. 1. "All works must be over by Nov. 30 and the lights must glow bright and continuous from Dec. 1. Also, the high-mast lights laid around Deve Gowda Circle and Ring Road Circle will be inaugurated on the same day," Simha added.

Status of Mysuru-Bengaluru Highway

Srirangapatna bypass to open on Nov. 30: MP

Mysuru, Nov. 19 (BCT)- After the second carriageway of 23-km Ramanagara-Channapatna bypass on the Mysuru-Bengaluru Access-Controlled Expressway was thrown open to traffic on Sept. 1, the Srirangapatna bypass will be opened for traffic on Nov. 30.

The second phase of the works is under progress and the Srirangapatna bypass will be opened for traffic on Nov. 30, said Mysuru-Kodagu MP Pratap Simha.

Inspecting the road works, bypass and the toll plaza being set up at Srirangapatna on Thursday, Simha asked the engineers and the officials from the National Highways Authority of India (NHAI) to ensure passenger safety in all the works being undertaken.

While one toll booth has been set up near Srirangapatna, the second toll plaza has come up at Kanaminike near Kumbalgodu. At Kanaminike, there are two plazas for onward and return journeys and toll will be levied. In all, there are three toll plazas but the toll will be collected only at two places.

The MP also visited the works that are being undertaken at Yeliyur as part of the Highway stretch. In a series of tweets, the MP has informed that the first stage of 51 kms between Nidaghatta and Bengaluru has progressed rapidly and there are certain linkages that have to be sorted out.

There are some issues in providing linkages from the bypass roads to the 10-lane expressways and these are causing delays. Barring a few design tweaks and addition of entry and exit roads from major towns along the way, there is no problem for traffic movement, the MP clarified.

MP Pratap Simha inspecting the road works, bypass and the toll plaza near Srirangapatna.

10-day winter session of State Legislature from Dec.19

Bengaluru, Nov. 19 (KMS&DM)- A 10-day day winter session of the State Legislature will take place at Suvarna Soudha in Belagavi from Dec. 19 to 30. Addressing presspersons after the State Cabinet meeting here on Thursday, Health Minister Dr. K. Sudhakar said that the session will discuss key Bills and other administrative issues.

Dr. Sudhakar said that the Cabinet also approved amendments to rules concerning transfer of husband-wife cases of C and D cadre Government staff serving in various departments. As per the amendment, husband-wife inter-district transfer cases can be considered only after completion of the minimum service period (at the posted place) fixed by the departments concerned.

New Sanctuaries: Continuing, the Minister said that, in other decisions, the Cabinet approved the Forest Department's proposals for new wildlife sanctuaries and bird sanctuaries across the State. The new wildlife sanctuaries declared are Uttaaregudda, Bankapura in Haveri district and Arasikere Sloth Bear Sanctuary in Hassan district.

New Sandalwood policy: Dr. Sudhakar said that the Cabinet approved Sandalwood policy-2022 as announced in the State budget. Highlighting the salient features of the budget, he said that the policy will allow farmers to grow sandalwood in their farmlands and can sell it in open markets.

Maintaining that the policy is a boon to the farmers, he said that sandalwood has a good demand both in national and international markets. Considering the huge demand for sandalwood and its price, the Government is discussing plans to install chips in trees for preventing thefts and smuggling.

Dr. Sudhakar further said that the Cabinet has given administrative approval for constructing a Guest House, dormitories and Rooms for the benefit of devotees visiting the famed Srikanteshwara temple at Nanjangud. The project is estimated to cost Rs. 16.52 crore, he added.

Hold Adalat to test efficiency, honesty of MCC staff, officers

Former Mayor Bhyrappa ridicules MCC for holding Palike Adalat to issue birth, death certificates

Mysuru, Nov. 19 (RKB&BCT)- Former Mayor B.L. Bhyrappa has alleged that the Palike Adalat organised by the Mysuru City Corporation (MCC) to clear select pending public grievances is an eyewash and the Adalat itself is one among the many harassments meted out to the residents of Mysuru.

Addressing a press conference at Pathrakarthara Bhavan on Thursday, he said that it is the duty of all officers coming under the MCC to address civic problems and solve the problems faced by the public in a time-bound manner.

"Here, none of the officers and sections in the MCC are functioning as per rules. It is ridiculous to receive applications in the Adalat on the issues for which applications are already submitted. What is the need of submitting applications again when they are already there in the MCC Office," he asked.

"This Adalat is a waste of time, money and resources and will not help the residents in any way. I call the MCC to suspend the initiative. Instead, the MCC must hold an Adalat for its own employees to check whether they are working efficiently or to gauge their sincerity and honesty," he said.

"Officers must understand that it is a part of their duty to serve the public and ensure that their problems are solved within a stipulated period of time. These Adalats will show the MCC in poor light. Shockingly, this Adalat is being held to issue birth and death certificates, the simplest job of the MCC," he noted.

B.L. Bhyrappa

"Even small works like the birth and death certificates are not issued at the MCC and the khatas of the dead husband are not transferred to the names of wife or legal heirs. This is ridiculous," he charged. The MCC officers have not even collected 30 to 40 percent of the taxes till now and the financial year will come to an end in four months, he added.

"The main reason behind Palike Adalat is that the employees and officers are shirking from their day-to-day responsibilities. Sadly, whoever comes to the MCC with an application is shooed away citing server problems. Internet and e-administration was introduced to ensure ease of business and the ease of public transactions with the MCC. But here, the internet itself is a curse as the officers always take the alibi of server problem," he said.

JD(S) MLC demands cancellation of auction of MUDA sites

Mysuru, Nov. 19 (PM&DM)- Alleging that MUDA was going ahead with auctioning corner and intermediary sites and houses in MUDA-developed Layouts without getting the Council approval, JD(S) MLC C.N. Manjegowda has demanded immediate cancellation of the auction.

Addressing a press meet here on Thursday, Manjegowda said that the MUDA Council meeting has not taken place for the past five months. But the authorities have issued an auction notification on Nov.15 without getting any approval, he alleged.

Pointing out that he has written a letter to MUDA Commissioner in this regard, the MLC said that despite this, the authorities are on an auction-spree.

Claiming that MUDA is utilising Rs.377 crore from its funds for providing amenities and completing pending works in Layouts that were handed over to the MCC over 20 years ago as a one-time measure, Manjegowda contended that MUDA was not looking at other ways and means for revenue mobilisation.

Alleging that MUDA contracts are being awarded to the kith and kin of Urban Development Minister and top officials, he said that the works being executed are of poor quality. Maintaining that MUDA was going bankrupt in the absence of any new sources of funds, he maintained that despite huge spending, several localities were lacking in infrastructure. He wanted the MUDA Commissioner to put a halt to auction and concentrate on financial improvement of the authority.

C.N. Manjegowda

Alleging rampant corruption in MUDA, he demanded a total overhaul of MUDA administration. Taking objection to the media being kept out of MUDA Council meetings, the MLC said that he would write to the Commissioner to allow media in future meetings.

Party leaders N. Mahadevaswamy, Srinivas, Ramesh, Mahadev and Shivakumar were present at the press meet.

Kannada Habba: Mysuru All India Radio
opens its doors for the public for the first time

Mysuru, Nov. 19 (RKB&TRR)- The All India Radio (AIR) Mysuru premises at Yadavagiri wore a festive look yesterday as Akashvani Mysuru had opened its gates for the general public from 10 am to 7 pm, inviting people to have a complete look at the studio and other places of interest in the premises.

This Kannada Habba was organised for one day commemorating Kannada Rajyotsava month. By opening the gates to the general public, the AIR has conceded a long-pending demand from the public who wanted entry to a have a look into the AIR Studios and its premises.

The Kannada Habba was inaugurated by S.S. Umesh, Assistant Director of Programmes, AIR Mysuru, hoisted the Kannada Flag in the premises of AIR.

Speaking on the occasion, Umesh said that for the first time in the history of Mysuru Akashvani, its doors were being opened for the general public and they were asked to come and have a look at the AIR Studios and other places of interest.

The AIR Mysuru staff of various sections explained through live demonstrations to public about the studio, how programmes are recorded, where the musicians are seated, where interviews with various guests are held and how the programmes are finally aired in the sound proof main studio. School and college students and the public thronged the AIR premises watched and listened to the live demonstrations with keen interest and understood the amount of efforts put in airing a programme.

An exhibition of many old and discarded technical equipment which were used by the AIR over the years was also being organised on the occasion.

Books exhibition by Abhiruchi and Navakarnataka Publications were also organised to celebrate Kannada Habba. A health check-up camp by Shantaveri Gopalagowada Hospital Dr. Ananda Aradhya was also held for 300 people at the AIR premises. Mysuru's All India Institute of Speech and Hearing (AIISH) also conducted free ear check-up for more than 100 persons.

Srihari of GSS, N. Gururaj of MAHAN, Rajashekar Kadamba of Kannada Sahitya Parishat, AIISH Director Dr. M. Pushpavathi, AIR Technical Division Assistant Director Ramanjanappa, Programme Executives S. Subramanya and Diwakar Hegde and others participated in the function.

Sweden's Karolinska Institute's Dr. Tom Palmisteina, Psychologist Dr. Peter Lepping, Mysore University Syndicate member Dr. E.C. Ningarajegowda and others will participate.

Blood donation camp on Nov. 24

Mysuru, Nov. 19 - NIE IEEE Student Branch-Women in Engineering (NISB-WIE), in association with Lions Blood Centre Jeevadhara, Mysuru, has organised a Blood Donation Camp on Nov. 24 from 10 am to 5 pm at the Diamond Jubilee Sports Complex, National Institute of Engineering (NIE) premises in city.

NISB, apart from conducting various workshops, seminars, webinars, technical talks, competitions, hackathons and events throughout the year to help its members with the all-round development in advancing technology, had also conducted a blood donation camp last year, which saw over 250 persons donating blood.

Those interested to donate blood, may register their names by logging on to *https://bit.ly/BDC_NISB*

For details, contact Mob: 74114-34887 or 70224-01033, according to a press release.

WORD OF THE DAY

Lapidary

Pronunciation: LAP-uh-dair-ee.
Meaning: Lapidary is used to describe something that is elegant and precise in a way that suggests similar qualities associated with inscriptions in stone monuments. It also has the less figurative meaning, "of, relating to, or suggestive of precious stones or the art of cutting them."
Origin: The Latin word for "stone" is lapis, which rock hounds and jewellery lovers may be familiar with as the term for a semiprecious, deep blue gem also known as lapis lazuli, or "stone of the sky." In the 1300s, lapis lent its shine to the English noun lapidary, referring to a cutter, polisher, or engraver of precious stones, as well as to the art of such a person. The crystalline refinement involved in the work of a lapidary eventually led, centuries later, to the use of lapidary as an adjective describing things that have the elegance and precision of inscriptions carved in stone monuments.
Today it is used most often to characterise speech or prose (such as an essay, memoir, or address) that is considered notably clear and fine, but lapidary can also describe virtues such as grace and dignity, whether observed in one's language or character.

THE ODD WORD

Lagniappe

Gratuity.

PHRASE OF THE DAY

Laid out in lavender

Meaning: Prepared for burial. The phrase has also been used to mean 'show something in the best possible light'. There are also reports of its use as meaning 'to criticise or condemn'.
Origin: The allusion is clearly to the practice of strewing lavender or other strong smelling herbs near dead bodies to mask their smell. The term was preceded by the much earlier phrase 'laid up in lavender'. This refers to the storage of clothes etc., with lavender to keep them fresh and free from insect damage — a precursor to mothballs.
The practice was referred to in Robert Greene's, A quip for an upstart courtier, 1592. The phrase first printed in A New Dictionary of the Terms Ancient and Modern of the Canting Crew, 1699:
"Layd-up-in Lavender, when any Cloaths or other Moveables are pawn'd or dipt for present Money."
Laid out in lavender may or may not have derived from that earlier phrase. Either way it is an American coinage and isn't widely used elsewhere.

QUOTE BOX

Forgiveness is the fragrance the violet sheds on the heel that has crushed it.—**Mark Twain**

RIDDLE THIS

Solve the rebus:

Answer :Strawberry shortcake.

CROSS WORD

ACROSS:
1 Mouth
4 An insect

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

R QEENRUL DZJ Q HUJBUJ EZHRYRZM.

R QW HYRNN KQRYRMA.

TODAY'S CLUE: A EQUALS G

Yesterday's Cryptoquip: All you need is love. But a little chocolate now and then doesn't hurt.

WANTED SALES GIRLS

ACKNOWLEDGEMENT & MADA INVITE

Pushpa Muthanna

We thank the members of Kodava Samaja, Virajpet; Kodava Pommakkada Okkoota Virajpet & Malethirike Eashwara Sangha, relatives, friends, well-wishers & family members for their condolences and help during the demise of my wife **Kuppanda Pushpa Muthanna**, on Nov. 14 (Monday).

The **Mada Ceremony** has been arranged at our residence on Jain Street in Virajpet, Kodagu, **on Nov. 27 (Sunday) at 11 am.** Those who have not yet received the invitation may please treat this as a personal invitation, attend the ceremony and pray for the departed soul.

— Lt. Col. Kuppanda Muthanna (Retd.)
son, daughter and family members

NOTE: ***No customary gifts***
